

Curriculum Vita
Vitus Daniel Lorenz-Meyer

Nationality: German
Languages: German, English
Date of Birth: July 31st, 1980, Hamburg, Germany

Permanent Address: Celsiusweg 13b
22761 Hamburg
Germany

Email: vitus@lorenz-meyer.de
Phone: +49 (0) 40 / 3348 8571
Cell: +49 (0) 151/1240 5515

Work Experience

- 22/02-24/11 *Senior fullstack developer* Hamburg
Content Fleet GmbH
Development and maintenance of online magazines / portal websites
PHP, HTML, symfony, MySQL, Elasticsearch, docker
- 21/07-22/01 *Freelance fullstack developer* Hamburg
Content Fleet GmbH, (part of Ströer SE)
<http://www.contentfleet.com>
Development and maintenance of online magazines / portal websites
PHP, HTML, symfony, MySQL, Elasticsearch, vagrant, docker
- 20/06-21/07 *Freelance backend developer* Hamburg
JvM/FLOW
<http://www.jvmflow.com>
Maintenance of flow's content monitoring platform
Vue.js, Node.js, mongoDB, Elasticsearch, redis, rabbitMQ, chrome
- 16/12-20/05 *Senior backend developer* Hamburg
JvM/FLOW, formerly Onzu GmbH
<http://www.jvmflow.com>
Maintenance of flow's content monitoring platform
Vue.js, Node.js, mongoDB, Elasticsearch, redis, rabbitMQ, chrome
- 13/08-16/07 *Backend developer* Hamburg
Northworks GmbH
<http://www.northworks.de>
Development of browser/mobile soccer manager *Goalunited pro*
PHP, ActionScript / Flash, MySQL, vagrant, linux, apache

- 12/06-13/06 *Lead web-developer* Berlin
 seed & sugar AG
<http://www.seedandsugar.de>
 Guerilla online marketing, web campaigns, social media marketing
Linux, Apache, PHP, HTML, CSS, JS

Linux, Apache, PHP, HTML, CSS, JS
- 08/06-09/10 *Freelance web-design* Hamburg
 Voodoo-Media GmbH
<http://www.voodoo-media.de>
 Project-leader/supervisor: Birger Hartung
 Design and programming of web-applications using LAMP+JS
Linux, Apache, PHP, HTML, CSS, JS

Education

- Higher Education:
- 2010-2011 University of California at San Diego (UCSD) San Diego, USA
Degree: Extension Student/Continuing Ed.
Courses: Compilers I, Computer Graphics I
- 2001-2007 Technische Universität Braunschweig (TU-BS) Brunswick
Degree: Informatik-Diplom
Minor: Signal Communication
Majors: Computer Architecture, Networks, Distributed Systems
- 2005-2006 University of Texas at El Paso (UTEP) El Paso, USA
Degree: Master of Engineering in Computer Science
Major: Peer-to-Peer Networks, Robust Systems
Research: Research Assistant in the *Robust Systems Group*
- 2004-2005 New Mexico State University (NMSU) Las Cruces, USA
Degree: Exchange Student/Non-degree seeking
Courses: Hardware Architecture, Computer Music, AI, UI
- High School:
- 1991-2000 Hansa-Gymnasium Hamburg-Bergedorf Hamburg
Languages: English, Latin
Majors: Mathematics, English

Research Experience

2005-2006 *Research Assistant* El Paso, USA
Robust System Group
University of Texas at El Paso, Department of Computer Science
Supervisor: Dr. Eric Freudenthal
Research on Peer-to-Peer Systems

Internships

1997 *The Cambridge Town Crier* and Cambridge, UK
Hewitsons Solicitors (<https://www.hcrlaw.com/>)
1996 *mbc Computersysteme*, Hamburg Hamburg

Social Service

One year military or social service was mandatory in Germany until 2012.

2000-2001 *Evangelic-Lutheran St. Ansgar Parish Schönningstedt-Ohe* Reinbek
<https://pfarrsprengel-reinbek-nord.de/>

Extra-Curricular

2010-2011 *Volunteer at SeaBreeze Organic Farm* San Diego, USA
<https://seabreezefarm.weebly.com/>
2009-2010 *Big Brother for the Big-Brothers-Big-Sisters* San Diego, USA
organization of San Diego
2004-2005 *Participation in the NMSU Roteract chapter* Las Cruces, USA
recognition as "Volunteer of the year"
2003-2004 *Engagement in the student-chapter of computer science and* Brunswick
student government (Asta) of the Technical University of Brunswick

Interests

- Web 2.0 Technologies LAMP, HTML5, JS, XHR, node, meteor etc.
- .NET decentralized P2P chat-system project in C#
- Game development Northworks / goalunited
- Computer architecture small electronic systems lab, 2003
- Computer security/Cryptology 20C3 conference in Berlin, Germany 2003
- Signal communication, processing, and compression – course in GSM networks @TUBS
- Distributed systems various P2P and distributed systems projects, masters' thesis
- Dynamic/scripting Languages B.S. thesis about scripting languages
- A.I.

Professional Skills

- *German/English/Spanish*
Proficiency in spoken and written German and English; working knowledge of Spanish
- *Programming languages: C-family/C#, Java, LAMP, Ecma-163 (JS), ruby, python, p5, HTML*, node.js, NoSQL DBMS / mongo, ElasticSearch, redis, rabbitMQ*
Vitus' code portfolio @ <https://portfolio.derdoc.net>

Conference Presentations

2006 Lorenz-Meyer, V., Freudenthal, E. (May 2006). San Jose, USA
PlanetenWachHundNetz: Locality-aware map-reduce for peer-to-peer.
Poster presented at NSDI 2006, San Jose, California, USA.

Conferences

2017 **JSConf Budapest** – community JavaScript conference Budapest, Hungary
October 26 – 27, 2017
Urania Movie Theater, Budapest

2010 **ToorCon** – Twelfth Information Security Conference San Diego, USA
October 22 – 24, 2010
San Diego, California

2006. **NSDI** – Third Symposium on Networked Systems San Diego, USA
Design and Implementations
May 8 – 10, 2006
San Jose, California

2003 **20C3** - 20th Chaos Communication Congress Berlin
December 27 - 29, 2003
bcc Berlin Congress Center
